R.A.B. Properties

Priority on tenant and owner satisfaction

Since 1955, R.A.B. Properties has built and managed twelve high-rise apartment buildings and over 100 industrial buildings covering several million square feet of industrial commercial buildings in the Greater Toronto Area. R.A.B. Strives to be progressive and innovative in its management style with maintenance of tenant and owner satisfaction it stop priority. As a result, R.A.B. has earned a sterling reputation as a quality builder with profound insight regarding client needs.

R.A.B. has been partnered with Energy Source Canada since 2005 with a fixed-term gas purchasing arrangement providing a stable, budgeted cost structure. "Energy prices are in constant turmoil. Knowing our exact costs puts that problem to bed allowing us to focus on our clients unique requirements.", says Sam Frisz, Sr. Real Estate Manager for the firm.
